

# Synthetic Lifting Products

**liftex**  
the world's best slings®

We stock Liftex polyester slings in all of the common sizes and capacities. We can also order specialized lifting slings manufactured to your requirements.

All of our polyester web slings have cordura reinforced twisted eyes for long wear

Polyester round slings have a continuous loop of polyester yarn covered by a double wall tubular polyester jacket. Slings are color coded by rated capacity for easy identification. Light weight and flexible for easy rigging. Very low stretch, good for close quarters lifts. Resists moisture absorption, rot, mildew and most industrial acids and bleach. Soft seamless cover protects and grips the load. Cover protects core yarn from UV degradation.
